Secure Townhouse Complex

Well run complex with secure remote access gates where residents and visitors gain access

via the intercom system connected to residents' cell numbers. There are 4 older duplex units built in the 1950s around 181m2, an original manor house with 5 bedrooms around 327m2 and other simplex units with 2 or 3 bedrooms, which were added more recently.

The complex is located conveniently near to the M13 freeway, so very close to all shopping centres, schools, churches, medical facilities and the many restaurants in the area.

The Body Corporate permits pets (up to 2 small dogs or 2 cats) with permission, for which a sterilization...
