This property offers a solid foundation for buyers seeking a home they can renovate and make their own. It consists of three well-sized bedrooms and one bathroom, providing enough space for a small family, first-time buyers, or an investor looking to add value. The layout includes a functional kitchen, a separate lounge, and a dining room, creating defined living spaces. While the property may require some attention and updates, it presents an excellent opportunity for those who enjoy renovation projects and want to create a home that reflects their personal style.
