3 Bedroom Simplex with a Teen Pad

This stunning and spacious simplex offers the perfect family home with the added bonus of a separate teen pad.

Inside the main house you will find three generous bedrooms, each with built in cupboards and large windows that fill the rooms with natural light. The main bedroom has its own en suite bathroom with a bath, while the family bathroom features a shower. Linen cupboards in the passage provide convenient additional storage.

The kitchen is well designed with plenty of counter space, ample cupboard storage, a gas stove, and space for two under counter appliances. It leads out to a covered courtyard, adding to its practicality. The open plan living and dining room is finished with laminate flooring and offers a spacious setting for family gatherings. Just off the dining room, there is an additional area that can be used...
